No.1 of 2022

**An Act relating to the Performance of the Sarovian Pathé
Network**

Assented to on the 8th of January, 2022

SARHOLM, 2022

BE IT ENACTED, by the Office of the Prime Minister of the New Sarovian Empire and Her Colonies and Dominions, with the advice and consent of the Imperial Parliament thereof, as follows:

The Sarovian Pathé Network

1. The Sarovian Pathé Network (SPN) is a producer of newsreels, documentaries, educational videos, music, and more and has been since May 2020. It was preceded by the crown corporations of Aros Graal and others, but they were dismantled under the reign of King Edward II of the Sarovians. The SPN is known as one of the best archives of Sarovian and community history, as well as educational content regarding Sarovian history and future.

As of 2022, it is necessary for the SPN to compete with telecom and media competitors such as Nekron Broadcasting or TV Aurea. It is therefore the intent of the Caps Party and General Katherine to propose the following amendments to the Sarovian Pathé Network, before delving into the organisation and content released by the SPN:

- The Sarovian Pathé Network will:
 - Create a new Channel Logo that will be approved by the Government and His Imperial Majesty the Emperor,
 - Create a new Channel Banner that will be approved by the Government and His Imperial Majesty the Emperor,
 - Re-design the About page of the channel, to consist of a message of both official languages,
 - Mandate the necessity of a translation for all future Pathé videos, to either be as part of the closed captioning or in the video description.
 - To design the home page to consist of a better image,
 - To pledge to the weekly upload of at least two videos,
 - And to aim for the objective of 200 subscribers by May 21st, 2022.

The Division of the Network

2. The Sarovian Pathé Network (SPN) will divide itself into three channels: SPN 1, SPN 2, and SPN 3 (or Channel 1, Channel 2 and Channel 3). These channels will be dedicated to upload new content as per their theme and mandate detailed below by the SPN Editorial Team. The current playlist system on the channel will be deleted in favour of three new playlists - SPN Channel 1, SPN Channel 2 and SPN Channel 3, which will be featured on the homepage.

Channel 1

3. SPN Channel 1 will consist of videos of a serious, important and sombre note. It will consist of government press releases, question period for the House of Commons, vote counts for legislation, important news pieces, military promotions and demotions, news of wars and battles, alliances and more. It will mainly consist of the series *Pathé News* but may consist of other videos and specials. It is directly forbidden for SPN Channel 1 to host any advertisements whatsoever. It is mandated for SPN Channel 1 to upload at least one video a week. The plan for Channel 1 is to start with the following series:

- *Pathé News*, a series about the goings on in Sarovia as well as events that affect it.

Channel 2

4. SPN Channel 2 will consist of videos of an educational and important note. It will consist of documentaries, interviews, historical and geographical videos, feature pieces, political advertisements and other videos that will allow the public to be informed and educated on a variety of issues. Advertisements will be allowed on Channel 2. It is mandated for SPN Channel 2 to upload at least two videos a month. The plan for Channel 2 is to start with the following series:

- *Pathé History*, a series about Sarovian history and monarchs.
- *Unto the Ends of the Earth*, a series about Sarovian geography, territories and goings on in the world.
- *Sarholm Shenanigans*, a series about Sarholm politics, interviews and feature pieces.

Channel 3

5. SPN Channel 3 will consist of videos of an entertaining, comedic and relaxing note. It will consist of comedy videos, memes, music channels and playlists, recaps of sporting videos, summaries and other entertaining content. Advertisements will not only be allowed on Channel 3, but incredibly cheap in comparison to Channel 2. It is mandated for SPN Channel 3 to upload at least three videos a month. The plan for Channel 3 is to start with the following series:

- *Royalist Radio*, a series of patriotic Sarovian music, marches amongst others.
- *SSL*, the Sarovian Sporting League which is a series of Sarovian sports matches,
- *Impractical Sarvs*, a comedy series,
- *Pathé Memes*, a comedy series.

*©His Imperial Majesty the King of the Sarovians and
