- 1. Introduction** Following the collapse of the Duchy of Kusan, the New Sarovian Empire's primary ally, the former Grand Duke of Kusan, Clovis, has seen it necessary to request that the Empire intervene and take in Kusanic refugees. Following discussion between Royal officials and former Grand Duke Clovis, it was agreed upon that the New Sarovian Empire shall make the following decrees.
- 2. Incorporation Clauses** The Duchy of Kusan and its territory, the Big City Caldera, shall be henceforth annexed and incorporated into the jurisdiction of the New Sarovian Empire. The New Sarovian Empire shall take in new recruits from the old Duchy of Kusan and shape them into Royal Army soldiers. Kusanic refugees who join the New Sarovian Empire will be given Sarovian uniforms, a Royal Army rank, and Sarovian education. Former Grand Duke Clovis shall become a Captain in the 3rd Infantry Division, and will also be granted the noble rank of Baron, and the noble demesne of Upper Preuze. Clovis will be invested as a member of the Landesgrad. The capital of Upper Preuze will be moved to Big City Caldera.
- 3. Relations with Bastion** Relations between the New Sarovian Empire and Bastion, a transnational organisation of which Kusan was a member, upon request from Captain Clovis, will not change due to this annexation.
