1. Purpose of this Act Since the beginning of the New Sarovian Empire, the question of a uniquely Sarovian culture has often gone into question. In recent times, New Sarovia has taken it upon itself to answer this question and establish its culture firmly. This includes new heraldry, badges, and much more. Amongst the many reformations on Sarovia's imagery, the Imperial Parliament proposes the patriotic poem *Tel Saroviana* to be our Imperial Anthem.

2. The Imperial Anthem This act proposes that the Sarovian patriotic poem *Saroviana* legally becomes the Imperial Anthem of the New Sarovian Empire and her Colonies and Dominions. The first three stanzas of the poem shall be considered the legal anthem. Below are the official words of the anthem in High Sarovian:

*O Sarovia,
Sem raze, sem liberas;
Terra eui pluriel perros,
am da libertazarre!*

*Eso Imperad luvi,
Terrir cororir pur tel mera do gloria,
Royo eui tel perros,
Rozirre eui tel terra*

*Stefan adanimir tel Imperad
y feqir es victorial!
O Sarovia,
Eso stanuso pur di!*

3. Translations Below are the official English and Portuguese translations of the anthem:

*O Sarovia,
thou ancient, thou free;
Land of many peoples,
one in liberty!*

*Our loved Emperor
Crowned by glory's hand,
King of the people,
Sovereign of the land.*

*Stefan save the Emperor
and win us victory!
O Sarovia,*

we stand on guard for thee!

*Ó Sarovia,
tu antiga, tu livre;
Terra de muitas pessoas,
uma em liberdade*

*Nosso amado imperador
Coroadado pela mão da glória,
Rei do povo,
Soberano da terra.*

*Stefan salve o imperador
e nos ganhe a vitória!
Ó Sarovia,
Ficamos em guarda por ti!*

4. Tune of the Anthem

The tune of the Imperial Anthem shall follow the notes shown below:

The Saroviana

The anthem can also be played in Graal with the following notes:

5. Significance of the Anthem

The Anthem shall be played at all events at which His Imperial Majesty the Emperor is present at. For military parades, the whole song shall be played in the presence of the Emperor, and for all other events which are deemed for it to be sung and played, it may be.

For official imperial events where His Imperial Majesty the Emperor is not present, though someone is acting in his stead, such as a member of the Imperial Family, a Regent or a Governor-General, only the first 18 seconds are to be played. This is known as the Imperial Salute.
