1. Introduction

Whereas in our codified Constitution as Sarovians, it is known that our beloved monarch Carolus XIII is assigned the following Imperial Style:

His Imperial Majesty by the Grace of Stefan, King of the Sarovians and Emperor of the Sarovian Commonwealth, Grand King of the State, King of Reuss, of Nassau, of Philippia and of Metternau, Patriarch of the Vasas, Nassaus, Makos and Zors, Grand Prince of Carolusburg, Defender of the Faith and Protector of the Realm.

It is noted that these styles are, if not old, unfashionable in a modern era. They likewise do not reflect the current positions and titles recognised within our Sovereign. It is difficult to amend our Constitution and as such, the House of Commons motions that the following Imperial Style in English be:

His Imperial, Royal, and Most Stefanic Majesty, by the Grace of Stefan, the Holy Graalian Emperor, King of the Sarovians and Emperor of the Sarovian Commonwealth, Grand King of the State, King of Roisa, of Noesa, of Philippia, of Metternau, of Carolusburg, of the Oxerians and of His Other Realms and Territories, Patriarch of the Vasas, Nassaus, Makos and Zors, and Defender of the Faith.

2. Future Amendments

This Act acknowledges that the Sovereign may, at any moment, amend His Imperial Style at His command, and the Imperial Parliament's *Imperial Styles Act* is a formality and a written codification of His command.
