- 1. Introduction** This statute is ordered with the purpose of protecting the New Sarovian Empire by building a large city centre made out of houses and guild houses, connected by a central hub house.
- 2. Sarholm as the Capital** Sarholm was inspired in 2016 by the destruction of Sarvium. When the palace of old burned to the ground amidst the civil war and destruction of the Empire, a need for a new palace arose. Tre Kronor was built to house the Royal House of Vasa, but the need for a whole new city still has not been satisfied. The Sarholm Act directs royal funds to the creation of the capital of the New Sarovian Empire.
- 3. Sarholm Movement** All members of the Vasa Family will be moved to live in Tre Kronor inside Sarholm. The City will be selected to be the Capital of the New Sarovian Empire (or Capital of the Free World) and will have many buildings inside.
